

EINLADUNG

Es wird herzlichst zu folgendem Vortrag eingeladen:

Dr. Jeppe Falsig

**Institute for Neuropathology, University Zürich,
Switzerland**

**'Protein aggregation-induced neurotoxicity in brain slices;
neuropathology in a dish'**

Zeit: **Dienstag 26.01.2010; 16:00 Uhr**

Ort: **Großer Seminarraum LIFE & BRAIN**

Selected Publications:

Chemical and biophysical insights into the propagation of prion strains.

Falsig J, Nilsson KP, Knowles TP, Aguzzi A.

HFSP J. 2008 Dec;2(6):332-41.

The prion organotypic slice culture assay--POSCA.

Falsig J, Aguzzi A.

Nat Protoc. 2008;3(4):555-62.

A versatile prion replication assay in organotypic brain slices.

Falsig J, Julius C, Margalith I, Schwarz P, Heppner FL, Aguzzi A.

Nat Neurosci. 2008 Jan;11(1):109-17.
